

COMMUNITY ACTIVITY QUESTIONS

We have a few short questions to ask you about community activity which I hope will help us to shape the future for you and others in your local area.

The Denby Dale Centre is a local independent charity which runs 50 hours of social activities every week and has been approached to run further activities in neighbouring local villages. We would like to understand what would interest you to make sure we supply the right service in the right places at the right times.

The results of these questions will be used by the Denby Dale Centre. The summary of the collective result may be published – no individual response will be shared. You can find more about the Denby Dale Centre by telephoning 01484 860077 or at www.ddc.org.uk.
