Welcome to this quarterly programme of **door-to-door** trips for people living with a HD9 postcode. This membership service is available to people who need help overcoming transport barriers, and the service links with the Volunteer Car Service. The trips are priced for individual tickets, transport only, which is paid for on the minibus direct to the driver. This not-for-profit service is subject to cancellation if low numbers are experienced, however higher numbers of passengers on a trip result in lower prices.

Book your ticket using the phone number above.
